Dr. Benjamin S. Carson, Sr. A Man of and for the American Dream

Clay Furtaw, Chairman
John Butler, Vice-Chairman

Marty Bass of WJZ-TV 13 emceed the 9th Annual Louis V. Koerber Patriotism Award Luncheon of The American Flag Foundation on Thursday, October 4, 2007 at the Fifth Regiment Armory's Governor William Donald Schaefer Dining Room in Baltimore Maryland.

A truly exhilarating fast paced day, Marty admired the Foundation's notable works, as well as its impressive organizational skills as all "clicked" into place, the Honoree arrived, and the podium "went live!"

The honoree and focus of the event was Dr. Benjamin S. Carson, Sr., a world-renowned and gifted Pediatric Neurosurgeon of Johns Hopkins Medical Institutions, a patriotic American, and one of 89 "Living Legends." The audience, as he spoke, was captivated early and rapt to the end.

Marty goes live!

The luncheon was sponsored by many fine institutions, businesses, and private individuals. They were: John W. Armiger, Jr., Budeke's Paints and Decorating, Brooks-Huff Tire & Auto Center, The Classic Catering

People, The GBMC Foundation, Sally and Wendell Leimbach, Maryland National Guard, McCormick's, Inc., The McGeady Family, Partnership Financial Group, Perluke Consulting Associates, and Rosemore, Inc.

We also thank those who bought tickets to this luncheon as it is the Foundation's singular fundraising event. Without your support, we would lose major patriotic events, such as the educational and historic Living American Flag Program and The Annual National Pause for the Pledge of Allegiance.

Clay Furtaw, Chairman

A legendary patriot who annually honors all those who serve us: police, fire, EMS, the military services, is being honored by The American Flag Foundation.

The 29th Annual National Pause for the Pledge of Allegiance will be held on Flag Day, Saturday, June 14, 2008 at Ft. McHenry in Baltimore, starting at 6:30 p.m.

This year's theme is "50 Stars - You're A Grand Old Flag" and will focus on the 50-star Flag having become the longest serving Flag in use - the "Granddaddy of all Flags," says David Glassman, Chairman of the Annual Pause for the Pledge Committee.

The event will include performances by Maryland Sings, the Heart of Maryland Chorus, and the 229th Maryland Army National Guard Band. The program will also include a performance by the Maryland Wing of the Civil Air Patrol Drill Team and the Parade of State Flags.

Some special person will be recognized for their patriotic work as the Honorary Postmaster. Of course, the focus of the evening will be the recitation of the Pledge of Allegiance at 7:00 p.m., followed by a flyover by the Maryland Air National Guard. The evening will conclude with an exciting fireworks display by Zambelli's.

PRESIDENT'S CORNER

Roger L. Gray, President

I was heartened by the large turnout at our December 12th Board meeting. We had some very thoughtful and constructive discussions regarding the challenges, as well as the opportunities we face as an organization. I sensed energy in the room and, more importantly, I felt a strong commitment from our Board to help the organization deliver on its mission “to encourage patriotism in children and adults, achieved through education and outreach focused on the American Flag.”

Our Board wishes to thank all of our organization’s supporters, including donors, event sponsors and, most importantly, our many volunteers. Without you, we could not carry out our mission.

Thank you for your continuing support

Johnny Appleseed (Sam Smith) on the move!

Sam Smith, Chairman

Work is in progress for a Living American Flag event at Montpelier House (President James Madison’s home) in Richmond, Virginia in September 2008, says Sam Smith, who is working with Mike Craft, of Craft Associates. Outreach resources include the SSBO Community Event Planning Manual; educational resource guides for 3rd, 4th, and 5th grades, with a guide; and SSBO Steering Committee Presentation slides or outline, all of which can be obtained by downloading from our website, or by ordering a CD/DVD Boxed Set.

Sam Smith
“Johnny Appleseed”

Being planned for the Fall for the Foundation’s 25th Anniversary, an outreach event is underway for Frederick County Maryland Convention and Visitors Bureau, with the assistance of the Garrett County Chamber of Commerce. Watch our website for a special announcement. Garrett County is in their third enthusiastic year of holding Flag Day, June 14th, Living American Flag events! Pat Perlucke accompanied Sam to meet with Cecil County’s Steve Pannill, President of Cecil Community College – this proposed event could possibly include southeastern PA and northwestern Delaware – as well as Anne Arundel County. Sam would like to begin an initiative in other Maryland counties; if you have any leads or referrals, please call Sam at 410-563-FLAG.

The Living American Flag Program - Volunteers Being Recruited

Paul Rose, Chairman

New Chairman Paul Rose, as well as Operations Vice President Patricia Perlucke and Director of Public Events Bob Delisle, together with LAF committee members, are proud to announce a redesigned Living American Flag Program.

Mr. Rose, in his private life, is a “personal and commercial property” Insurance Agent with PSA Financial in Timonium Maryland. Married with two children, he has lived in the Lutherville community for 47 years. He credits his service to the community to the memory

of the patriotism of his father. while others have been curtailed – to provide the best possible experience for participating students and to maximize the field trip syllabus for the teachers. “We are anticipating positive feedback on the improvements,” says Mr. Rose, “I want to get the kids in and out of the grid and give them the most time possible to enjoy the Fort and the Historic Characters.”

The 25th Annual Living American Flag Program will be held Tuesday, May 20, 2008 at Fort McHenry National Monument and Historic Shrine from 9 a.m. until 12 noon. Schools must register, but the community is absolutely welcomed to witness this event!

* Denotes Corporate Board Members

Dear Friends:

On behalf of the Board of Directors, we thank you for your ongoing support of the American Flag Foundation.

Your continued involvement has helped us carry out our mission – “To encourage patriotism in children and adults, achieved through our education and outreach programs focused on the American Flag.”

This past May, the Foundation sponsored the *Living American Flag* program at Fort McHenry. Over 2,300 students from the 3rd, 4th, and 5th grades and 300 adults were in attendance. Students created the Living American Flag by raising their arms skyward, holding their colored placards and stars. Through your generosity, over 65,000 students have participated in this patriotic experience. May 20, 2008 will mark our 25th year of sponsoring this educational field trip.

On June 14th, Flag Day, the Foundation leads the nation in the *National Annual Pause for the Pledge of Allegiance* program at Fort McHenry. This day is a tradition which honors America and our Flag, the symbol of our freedom and independence. Many organizations participated, such as the Boy Scouts, Girl Scouts and the Civil Air Patrol and thousands of Maryland citizens witnessed this patriotic American celebration.

It is because of your involvement that we have been able to continue sponsoring these annual events, as well as offering educational materials to teachers, children, adults, and community organizations on our website www.americanflagfoundation.org.

We are proud to be a part of the American Flag Foundation and the wonderful programs and activities that it provides to children and adults alike. We need your help in guaranteeing that they will continue.

Your donation, large or small, helps The American Flag Foundation fulfill its mission. Now more than ever, we need to instill Patriotism in our youth. Your contribution will be an investment in our youth and their future. Please use the slip located on the back page of the newsletter.

Thank you once again for your continued support.

Sincerely yours,

Henry A. Rosenberg, Jr.
